### Old business:

Parking lot manning for June 18, 8:00am to 5:00pm. We need all volunteers listed by next meeting. We will use 3 hour sessions so periods will be 8:00am 11:00am, 11"am to 2:00pm and 2:00pm to 5:00pm. Pat and Terry will set up signs before 8:00am and recover them at 5:00pm. We did not decide who was in charge of listing the volunteers for parking lot duty. That weekend is "Bikes, Blues and Bar-B-Q so" so we should have a busy and profitable day.

### New business:

Jim shared the brochure they used at the Table Rock ARC "TRARC" booth at the Shell Knob Home Show and it was very well done. We will be producing one for our club thanks to Walt's expertise at very little or no cost. It is a one sheet, heavy paper, 2 fold with great information for handing out to potential new members. They will be ready for our parking lot duty for handing outs.

Rudy mentioned we could have 4 or 5 folks so far to take the test May 13<sup>th</sup>. Advertising was sent put to radio stations and news papers for our up coming Class and testing May 6 & 13.

Next meeting scheduled for May 13 at the usual location.

Meeting was adjourned at 4:29pm.

Refreshments were delicious and a good visit was had by all.
